“We are extremely impressed with the level of professionalism and dedication that WhiteStar Management provides us. We continue to receive positive feedback from our homeowners regarding the quick responses they get from WhiteStar Management as well as the attention to detail and follow-up they provide our homeowners. Patrick Belous, the company owner has set extremely high standards for himself and his company and conducts his business in the most professional manner with the clients’ best interest always first and foremost. I would proudly recommend WhiteStar Management to any organization, they would be very fortunate to have their experience and work ethic.
